- Standard delivery usually takes **2–5 business days** within Cairo and Giza.
- Delivery to other Egyptian governorates usually takes **3–7 business days**.
- Orders are processed within **1 business day** after confirmation.
- Customers receive an order confirmation and, when available, a tracking reference.

- Delivery times may be affected by public holidays, incorrect addresses, or circumstances outside LumaCart's control.

5. Return & Exchange Policy

- Customers may request a return within **14 calendar days** after receiving the order.
- Products must be unused, undamaged, and returned with their original packaging when applicable.
- Personalized or visibly used products may not be eligible for return.
- Customers should contact support with the order number and reason for the request.
- Approved refunds are processed after the returned item is inspected.
- Exchange requests depend on product availability.

6. Payment Methods

- Cash on delivery, where available.
- Debit and credit cards through the approved payment gateway.
- Digital payment options shown during checkout.
- Payment availability may vary depending on the customer's location and order details.

7. Order Support

Customers should provide their order ID when asking about an order. A typical LumaCart order ID follows the format **LC1001**, such as LC1001 or LC1002.

- Order statuses may include: **Pending, Confirmed, Packed, Shipped, Delivered, Cancelled**.
- A pending order is awaiting confirmation or processing.
- A shipped order has been handed to the delivery provider.
- A delivered order has been marked as delivered by the delivery process.
- The support assistant must not invent order details when the requested order ID is missing or not found.

8. Customer Support Guidelines

- Use a polite, clear, and professional tone.
- Ask for missing information instead of guessing.
- Do not reveal private customer information.
- Do not promise a refund, replacement, or delivery date unless the available information supports it.
- Escalate unresolved or sensitive issues to the support team.
- If a question is outside the knowledge base, clearly state that additional assistance is required.
